Subject:- Bandhara at Kokatnur,
Taluka Sindgi, District Bijapur -
Claim of the contractor.

The above minor irrigation work at Kokatnur was carried out by this department through Shri R.D. Patravali, Contractor. The work is now being maintained by the Public Works Department.

Government, in their letter No.519/26214-F, dated the 2nd July 1951, had approved the proposal submitted under my letter No.Eng/DB/18(Gen), dated the 26th May, 1951 to effect only 10% deductions from the final measurements of earth work in bank where one or more monsoons have passed instead of 15% as stipulated in the contract. The contractor's claim due to extension of this concession to the work of Kokatnur Bandhara amounts to Rs.69/- only.

The administrative control of the minor irrigation works has been transferred to the Public Works Department and I have no funds at my disposal for expenditure on the minor irrigation works.

The expenditure of Rs.69/- for payment of the above claim would come under the budget head - "18-A-Irrigation Works (Public Works)" and I propose to meet the expenditure of Rs.69/- by reappropriation from funds sanctioned for Lift Irrigation Schemes under "18-A-Civil". I am accordingly to request you to move Government to approve my above proposal so that the payment could be made of the long pending claim of the contractor.
